Black: Large Advanced group only

Green: Small Advanced group only

Orange: Solo

## Verse 1

Turn up the volume lets hear the sound,  
I am the speaker come gather round.  
My ears are burning, tell me the news 'cause there's a  
Rumour that something's about to break loose.

(Mm...) x3 Did you hear that, did you feel that, getting louder  
(Mm...) x3 Can you hear that, can you feel that, getting louder

## Verse 2

Fires are burning deep in the night  
While you are sleeping they feed the vibes,  
Under the stars they're starting to sing and there's a  
Rumour that nothing's gonna stop! this thing

(Mm...) x3 Did you hear that, did you feel that, getting louder  
(Mm...) x3 Can you hear that, can you feel that, getting louder.

## Chorus

Ri – se Up!  
Ri-i-ise u-u-up, Ohhhh...  
No one can hold you down, eyes are wide open now,  
Keep your head above the clouds.  
Ri – se Up!  
Ri-i-ise u-u-up, Ohhhh...  
Free from where you were bound; leave the chains on the ground,  
Time to turn this thing around.

Ha.....aha  
Ha..... aha, Can you feel that getting louder?

## Verse 3

(Mm...) x3  
Striving to keep you under the thumb, blind you with tricks so that you succumb,

Try to conceal their silent abuse, now there's a feeling that something's about to break loose.

(Mm...) x3

Did you hear that, did you feel that, getting louder  
Can you hear that, can you feel that, getting louder.

#### Verse 4

Fate has decided where you belong (where you belong)  
Voices are chanting they're never wrong (they're never wrong)  
Mountains are shaking drums ever ring, and now  
No nothing tonight is gonna stop this thing

Ha..... aha  
Did you hear that, did you feel that, getting louder  
Ha..... aha getting louder.  
Can you hear that, can you feel that, getting louder.

#### Chorus

Ri – se Up!  
Ri-i-ise u-u-up, Ohhhh...  
No one can hold you down, eyes are wide open now,  
Keep your head above the clouds

Ri – se Up!  
Ri-i-ise u-u-up, Ohhhh...  
Free from where you were bound, leave the chains on the ground,  
Time to turn this thing around.

Ri – se Up!  
Ri-i-ise u-u-up, Ohhhh...  
Ohhhh...  
Your tears have built this town, go ahead and claim your crown,  
You create your future now.

Ri – se Up!  
Ri-i-ise u-u-up, Ohhhh...  
Ohhhh...  
Free from where you were bound, leave the chains on the ground,  
Time to turn this thing around
