Haul Away, Joe!

A short-drag sea shanty, probably originating in the 18th century. In this work song, everyone would wait and then PULL (hence short-drag) on the word 'Joe.'

Verse

Well now can't you see the black clouds a-gatherin'
(Away haul away, we'll haul away Joe)
Well now can't you see the storm clouds a-risin'
(Away haul away, we'll haul away Joe)

Chorus

Away (Ho!) haul away! We'll haul away together!
Away haul away, we'll haul away Joe
Away (Ho!) haul away! We'll haul for better weather!
Away haul away, we'll haul away Joe

Art Thou Troubled

By G F Handel

Art thou troubled? Music will calm thee
Art thou weary? Rest shall be thine, rest shall be thine
Music, source of all gladness heals thy sadness at her shrine
Music, music ever divine.
Music, music calleth with voice divine

When the welcome spring is smiling
All the earth with flow'rs beguiling
After winter's dreary reign
Sweetest music doth attend her
Heavenly harmonies doth lend her
Chanting praises in her train
Chanting praises in her train

NEWHAM HARMONY

Another Round of Applause

Written by Master Chan
Lyrics with Caroline Verdant, Fr. Philip
Thomas & Ms. Wade

Let's build back better
For a standard in the system
Where the wages are fairer
Let's build back better
For the workers on the front line
Struggling to get by
Let's build back better
For the future generations
No more hesitations
Let's build back better
Yeah!
Let's build back, build back better!

This pandemic has revealed the
nation's brave
Those who risk their lives every day
Overworked, severely underpaid
Front line at work - inadequate pay
Millions of workers need a better wage
Tell me how much longer must we wait
For an end to the slavery?
Good Day!
Goodbye to poverty pay!

Chorus
Dedicated to the cause
Everyday heroes
Another round of applause
For our key workers
God* bless them all
It's time to pay them what their
worth is
What are we waiting for?

Can't you see or are you blind to the facts
Some can barely feed their families after
rent, bills and tax
How cheap can we bargain for
their dignity
When we treat key workers like
commodities?
See you've got to have a beating heart
to do this job
Those hearts work hard -
it's a daily slog
Hard times - long shifts - late nights -
hard thrifts
They're our everyday heroes -
never forget this
Never forget this, never forget this!

Chorus

Bridge
Give it up!
This is for the nurses, carers, cleaners,
porters
Retail staff, shelf stackers, pharmacists
and postal workers
Teaching assistants, transport staff,
delivery drivers
Security, fire fighters, garbage
collectors
And every key worker essential!
Aaaye! Ohhh! Aaaye!

Chorus (2 part)
Chorus (3 part)

*This song was originally written for the Living
Wage Campaign. In the interests of inclusivity,
if you prefer to omit 'God' from the phrase 'God
bless them all' you have the writer's permission
to do so
